

# Reduce Your Payment Processing Fees

Hotels save \$5,000–\$10,000 per year on credit card processing—without changing guest experience, operations, or your existing booking engine.

## Why Switch to Wholesale Rates?

### Keep Your Current Setup

No need to switch PMS platforms or payment gateways. We integrate seamlessly with what you already use.

### Lower Fees Instantly

Access exclusive wholesale rates that can save you thousands every year on credit card processing.

### No Hidden Markups

Transparent pricing with no surprise rate hikes or hidden fees. What you see is what you pay.

### Future Flexibility

When you're ready to upgrade your systems, your payment processing moves with you—no lock-in.

## How It Works

### 1 Request Your Free Review

Share your current processing statement. We'll analyze your rates and identify savings.

### 2 See Your Savings

We'll show you exactly how much you can save with our wholesale rates—no obligation.

### 3 Seamless Switch

We handle everything. Your PMS stays the same—only your rates change.

## Stop Overpaying

- **Wholesale Pricing:** Access the same rates as high-volume processors through our shared volume.
- **No Rate Hikes:** Lock in your rates without worrying about unexpected increases.
- **Works With Any PMS:** Compatible with Cloudbeds, InnRoad, and virtually any other system.

## Ready to Save Before Peak Season?
